MSS Meeting Aug. 25 - Email Encryption

Legal or not, [the National Security Administration \(NSA\) has been spying on American citizens](#). If you use the Internet for web surfing or for email-- and if you're receiving this newsletter, obviously you do-- you're being spied upon.

At MacAtoZ we take personal privacy seriously, and we will never willingly turn over or distribute your personal information without your permission unless compelled to do so by a court of law.

In that vein, **MacAtoZ will be holding a special MSS meeting on Saturday, August 25 from 10 AM to noon centered around the topic of email security**. The event will be held at [Comfort Suites in Salem](#).

All MSS Tier 2 and Tier 3 members will be given instructions on how to acquire free email security certificates, allowing them to digitally sign and encrypt their email. MSS members who bring their laptops can get their certificates at the meeting.

This free event is for MSS members only and is **not** open to the public. Space is limited so MSS members should RSVP ASAP.

If you're not an MSS member and would like to join, please email (tydavison@macatoz.com) or call (503-507- 0410).

New MacAtoZ website!

The MacAtoZ web site (www.MacAtoZ.com) has been completely revised with some great new features.

1. Gift Certificates

Give the gift of Mac knowledge! A gift certificate for a one hour, one-on-one training session on the Mac is only \$72. A MacAtoZ gift certificate is a perfect birthday or holiday present. Call 503-507-0410 or email for more information.

2. RAM and hard drive information

You know the old saying that you can never have too much RAM or

About MacAtoZ LLC

Founded in 2006, our company specializes in helping individuals and small businesses get the most out of Apple and Apple-related products. Toward that end, we've developed a unique remote support program called the MacAtoZ Service Suite (MSS).

MacAtoZ is owned and operated by Ty Davison, an Apple Certified Help Desk Specialist and member of the Apple Consultants Network.

Mac Tip o' the Month

Apple's System Profiler is built-in to Mac OS X and can tell you all about your Mac. To access it, go to the Apple Menu in the top left corner of the screen and select "About This Mac." In the window that appears, click the "More Info..." button and System Profiler will launch.

The information in System Profiler is broken down by category, so you can easily see the capabilities of your machine.

It's also worth noting that system profiles can be saved. You are welcome to save and email your own system profile to MacAtoZ. This will enable us to more readily assist you if you call with a problem.

Save
\$25

Members of the Salem Macintosh Users Group get \$25 off their first hour of onsite support during 2007. That's a big savings off our already low \$72/hr rate, and since annual SMUG membership is only \$25 it's like joining SMUG for free! Not a SMUG member? Join when we come out! [Offer valid once per household. Some SMUG members have already received this benefit. This is a reminder not a coupon.]
