### Great pricing at the MacAtoz Online Store

The MacAtoz Online Store has been updated with some of the latest Apple products including iLife '08, iWork '08, and so forth.

As of this writing, almost every item in the store is being sold at *below retail pricing* and with *free shipping*.

We've returned over \$1600 in discounts to customers in the last two years, much of that to Salem Mac Users Group members. Your use of our online store helps us to continue that while saving you money.

Remember: Anything you can buy from Amazon.com, you can buy through our online store. In fact, if you go to our online store first and click the Powered by Amazon.com link, THEN do your Amazon.com shopping, we get credit for that too!

Don't see a product on our store that you'd like to have there? Email us, and we'll put it up. (And, for what it's worth, don't forget to check out the "Ty Recommends" section for stuff I think is particularly nifty.)

As always, our thanks for your support!

### MSS upgrades and announcements

We're continually striving to make the MacAtoz Service Suite better. This month we're announcing an increase in web storage space for MSS Tier 3 members.

Effective immediately, all MSS Tier 3 members will see their web hosting space (for email, iDisks, web sites, etc.) increase to 12 GB. This represents a more than doubling of the previous space allocation, and best of all, there is no charge for this increase.

MacAtoz is also announcing the MacAtoz Service Suite (MSS) for Business, a massive set of affordable online features modeled on

## Mac Tip o' the Month

Did you know you can get access to college-level course materials through iTunes? It's all in a section of the iTunes Store called "iTunes U."

To access iTunes U, launch iTunes and go to the iTunes Store. On the left side of the main screen, you'll find a list of all the various sections of the store. The last of these is iTunes U.

What will you find when you click the iTunes U link? Educational course materials-including recordings of some courses themselves-from MIT, Penn State, Duke, ASU, Stanford, Texas A&M, and more. And how much does it cost? Nothing! It's all free.

[Offer valid once per household. Some SMUG members have already received this benefit. This is a reminder not a coupon.]
